All data based on insider regulatory filings which are subject to input errors.

^{*} Indicates percentage change of shares or units for the account in which the security is held. Many insiders have more than one account and the balance for each is calculated separately. See Holdings Summary for balances across all ownership types as reported in SEDI.

Holdings Summary

Data is based on SEDI filings. Identified former insiders who ceased to be an insider more than a year ago are not shown. Roster may include unidentified former insiders. Charts include identified former insider holdings up to the date they ceased to be an insider. Insiders and their holdings are only included under one insider category. See last page for regulatory insider filing relationship definitions.
