Dear William,

Thank you for your kind donation towards Principia Scientific's defense and advancement of the traditional scientific method.

We are fully incorporated under UK law to serve as a non-profit and donations are used only for charitable purposes; maintaining our online presence and further growing our international membership.

We remain proudly free of any third-party political influence or financial inducements, all due to such grass-roots support as yours.

If you have a STEM background (science, technology, engineering and mathematics) and wish to be formally added to our system as a member of Principia Scientific International, please submit a separate request and short biography (approx. 100 words). A sample of some of our leading members is here

<<https://principia-scientific.org/why-psi-is-proposed-as-a-cic/>>.

Let us know if we can help you in any way and thanks again for your continued support. Finally, please share details of our aims <<https://principia-scientific.org/articles-of-association/>> among colleagues and friends.

Kind regards,

John O'Sullivan CEO
